Bill – Here are my priority projects in rank order high to low:

Upper Animas:

- PA/SI OU00 (Site-wide)
\$200,000 This could be coded TA as well and includes the assessment of community soils in Silverton.
- Removal Assessment OU01 (Gold King Mine)
\$150,000 This is in addition to the \$110,000 previously identified for the Gold King.

Colorado Smelter:

- RI OU02
\$100,000 This is incremental funding to advance the RI on the slag pile area.
- ADR (Facilitation Support) OU00
\$60,000 This is forward-funding the facilitation contract for FY2016.

Central City Clear Creek:

- RD OU04
\$50,000 This is in anticipation of the state asking for more RD money to modify the WTP design to

accommodate the storage of augmentation water onsite.

VB/I-70:

●■■■■■■■■ RI/FS OU03
\$50,000 This is to supplement the existing RI work and to produce a FFS.
RD funding is scheduled for

FY2016/2.

All,

In lieu of a call with you all, can you please send me your potential project uses by COB today of the \$1.044M balance in Pipeline. If we can't use all these funds, Russ is prepared to forward fund the site assessment contracts. Take a look at FY16 1st quarter as well as things we need right now.

Bill

There is \$1,044,000.00 available in the pipeline budget. Send Russ and myself your project requests by Monday August 10th.

Thanks
